>iscussion an+ Consi+eration o( Brine Storage Structural Materials Future . Public Works Site 8 Council  
Action as Needed. Staff continues their review of essential build-in site equipment that are necessary to  
facilitate our move to the new public works site. The hoop structure (or the storage of sand and salt) has  
been approved previously by the Council and is currently under construction. The material package (or the  
brine build-in) will not exceed \$2E,000, however, the total project costs needed to finish construction will be  
between \$3 ,000 and \$4 ,000. Monies from the sale of the old public works facility will cover the costs of  
the extension. Motion made by Council, seconded by West to approve the purchase of materials (or the brine  
build-in) at the new Public Works site, not to exceed \$4 ,000. Motion carries.

>iscussion an+ Consi+eration o( Ferguson Waterworks Invoice 6047161D83 . Council Action as Needed.  
The attached invoice from Ferguson Waterworks is in the amount of \$13,640. The invoices represent  
equipment purchases (or the 2024 water main replacement project. Motion made by Council, seconded by  
Counsellor to approve invoice 6047161D83 (or \$13,640. Motion carries.
